

# Ladies Car Care Clinic

## Kelly Williams

*Race Car Driver...educator...safety advocate...TV personality*

A ladies clinic is designed to be fun for women and informative in a non-threatening environment.

[www.kellywilliamsracing.com](http://www.kellywilliamsracing.com)

Many things would be covered:

- ✓ Various fluids of a vehicle, both clean and dirty.
- ✓ Oil filters cut open and examined as well as air filters: clean and dirty.
- ✓ How to check tire pressures!
- ✓ Emergency road side kit contents
- ✓ And much more.....

**Jan. 16-17, 2010**

**Info can be found at**

**[www.cptrace.com](http://www.cptrace.com)**

*Clinics to run throughout the weekend!  
Find a time that works best for you!*

*Clinics will typically run for a half hour including a meet and greet, and Q & A throughout.*

**About Kelly:** High school teacher by education but now makes a living working in the automotive industry. Kelly raced for 15 years and is now Spokesperson for AIA's national program, Be Car Care Aware. In addition to this, Kelly is a Pace Car Driver and does new vehicle launches. She was also a judge on Canada's Worst Driver and was the host of Global's, Mechanical Chicks.
